LEGACY OF LOVE

ABOUT THIS SHOW

Tonight celebrates what happens when people show up for each other. This show brings together performers from special education and mainstream schools – and the educators, trainers, and friends who have walked alongside them. What you'll see on stage is the result of real courage, real practice and real friendship.

WELCOME

Northland Secondary School
Rose of Allendale

Welcome to An Extraordinary Celebration 2026: Legacy of Love.

It is our pleasure to welcome you this evening as we gather once again to celebrate the talents, friendships, and achievements of our students.

We are especially honoured to welcome back our Guest of Honour, Mdm Halimah Yacob, whose longstanding commitment to building caring and inclusive communities continues to inspire many of us.

This year's theme, Legacy of Love, is a tribute to the teachers, instructors, mentors, caregivers, and many others who quietly shape lives through their patience, encouragement, and belief in every child's potential.

Their influence can be seen not only in tonight's performances on stage but also in the confidence, resilience, and growth of the students they have nurtured.

We are also deeply grateful to our schools, community partners, volunteers, donors, and corporate supporters.

Your support enables Extra•Ordinary People to continue creating opportunities for persons with disabilities and their families, and to bring events like this to life.

Tonight, about 400 students from mainstream and special education schools come together on one stage.

As you enjoy the performances, we hope you will also celebrate the many individuals whose care and dedication have helped make this evening possible.

Thank you for being here.

We wish you a wonderful evening ahead.

Warm regards,

Wee Wei Ling & Wee Boo Kuan
